

Z-Select 2000D 60 Receipt

Receipt Paper

Direct Thermal

Description

A topcoated direct thermal 60 micron white receipt paper, which produces high contrast black images with Zebra kiosk printers. Z-Select 2000D 60 Receipt has very good environmental resistance to factors such as heat, humidity, light, plasticizer and water. Direct thermal material is not recommended for applications involving prolonged exposure to moisture and solvents or long term exposure to heat UV light sources. When stored correctly*, the printed image can be expected to remain legible for up to 12 years.

Suggested Applications

- Voucher and coupon printing
- Queue management tickets
- Receipts for retail applications
- Toll receipts
- ATM tickets/ receipts
- Car rental and hotel check-in tickets
