Usage temperature (°C)	-35°C to 60°C

Liner

General description	Supercalendered glassine paper
Grammage (gr/m ²)	60

Our Decision brand labels are manufactured for us by an organisation with over 30 years experience in label & tag manufacturing.

Our manufacturer is fully ISO accredited, to ISO 9001:2008, and is subject to assessment by an external body.

Our manufacturer has achieved PEFC (Programme for the Endorsement of Forest Certification) and FSC (Forest Stewardship Council®) Certification which enables them to source paper products that can be traced to legal and well-managed forests, reflecting their commitment to acting responsibly within the environment.
