

Service Description

Warranty and Basic Repair Service

The following services are provided subject to Honeywell Safety and Productivity Solutions' ("HSPS") current limited warranty statement available at www.honeywellaidc.com/working-with-us/agreements or customer's applicable separate signed agreement with HSM.

HSM Warranty Repair is a return-to-depot repair service, covering manufacturing defects only, with a 12-day expected repair and return process. Basic Repair Service contracts can be purchased to extend this level of coverage for up to 5 years from the initial date of shipment for most scanners, and up to 3 years for most mobile computers and printers.

Service Overview

HSPS provides this repair service for its branded hardware products ("Products") found to be defective within the applicable Product Warranty period or Basic Repair Service coverage period due to defects in materials or faulty workmanship.

This service provides the repair or replacement (at HSPS's discretion) of hardware Products found to be defective in material or workmanship, and includes:

- Access 24 hours/day, 7 days/week to HSPS's information and support tool – available at www.HSMsupportportal.com and go to "Articles";
- Level 1 telephone support from one of our support technicians for troubleshooting assistance for hardware, software and installation issues. HSPS will use commercially reasonable efforts to keep telephone support for this service available 5 days/week, 8 hours/day – excluding public and local holidays;
- Repair or replacement (at HSPS's discretion) of faulty Products caused by hardware failure due to manufacturing defect;
- A full functional test of the Product before being cleaned, re-packed and dispatched back to the return address supplied by the customer;
- The customer pays for freight into repair; HSPS pays ground freight back to the customer.

Service Exclusions

Without limitation, this service does not include:

- HSPS products not covered by a valid HSPS warranty or Basic Repair Service coverage;
- General wear and tear including replacement of housings for cosmetic purposes, or replacement of missing customer replaceable items – Warranty covers only defects in materials and manufacturing workmanship;
- Printhead replacement due to wear/use/abuse, or outside of printhead warranty period;
- Customer replaceable spare parts including, but not limited to: cutter assemblies, media, pre-printed labels and batteries outside of the battery warranty period;
- Reloading of customer or third-party software, unless optional Golden Image Service coverage has been purchased for device;
- Product damaged to the extent that the Product serial number is no longer verifiable;
- Product that has been damaged due to inadequate customer-provided transit packaging;
- Damage sustained due to negligence, abuse or repair/modification by an unauthorized party;

- Units damaged by the use of cleaning chemicals such as alcohol, ammonia, bleach or other active ingredients that adversely affect plastics, displays or other components of mobile devices including printers, scanners and computers. Exclusion not applicable to healthcare devices where the product data sheets allow limited exposure to specified cleaning chemicals.

Supported Products

HSPS branded hardware products, when Basic Repair Service coverage is purchased at the time of the hardware purchase, or during the manufacturer warranty period. Warranty matrix available at <https://www.honeywellaidc.com/Pages/warranty-matrix.aspx>.

Turnaround Times

Turnaround time is calculated as the time the faulty Product is in the HSPS repair depot or logistics hub. Warranty repair turnaround time is expected to be 12 business days. This turnaround time is not guaranteed and does not include transit times.

Country Coverage

For availability and specific options available within your country, please contact your local authorized HSPS Sales or Services representative.

Support Procedures

- For 24 x 7 support information, answers to common questions or to request technical support, please visit www.HSMsupportportal.com – knowledge database is located under “Articles”;
- For service requests, please visit:
 - Honeywell (or Datamax-O’Neil) branded products: <https://hsm.secure.force.com/thetechsupportall/LoginRMA>
 - Intermec branded devices: http://www.intermec.com/support/returns_repairs/index.aspx

Note: Full details about creating a RMA are included on these websites.
- To request a Service Repair, you will need the following details:
 - Product Part Number (generally located in battery well or on the underside of the unit);
 - Serial Number;
 - Fault Description;
 - Return-to Address;
 - Contact Name;
 - Telephone Number.
- Once you have completed the RMA request, you will be issued a RMA number and the address to return the faulty device(s) to.
- Please print the shipping document and return your product to the address detailed on the RMA, ensuring a copy of the RMA shipping document is clearly visible.

Customer Responsibilities

In order to enable HSPS to carry out its support obligations, the customer should:

- Check the HSPS online knowledge database for initial diagnosis and support actions;
- If a repair is required, request a RMA number using the RMA process outlined above;
- Where possible, provide a technically competent person with knowledge of the system and fault to actively assist in troubleshooting and diagnosis;
- Acknowledge responsibility for reinstalling your own application software after any Services have been provided;
- Undertake any other actions that HSPS may reasonably request in order to best perform the service;
- Return the faulty product to the address provided with the RMA in a timely manner;
- Remove any replaceable items (SIM cards, SD cards, batteries, etc.) prior to sending unit in to repair;
- Back up any data stored on device prior to return – HSPS is not responsible for lost data.

Additional Information

- Faults found to be the result of routine wear or damage are not covered under the standard warranty terms. HSPS will provide a repair quotation for these products under the terms of the HSPS Flat Rate Repair Service;
- All repair work and any parts used are supplied with a 90-day warranty valid from the date of repair.
